DELAVAN, Wis., May 23 /PRNewswire/ -- Over 100 condominiums -- more than \$28 million in real estate sales -- were sold in a single day on the May 20th Grand Opening of the Lodges at Lake Lawn Resort, setting a condominium sales record in the state of Wisconsin.

"These are exceptional results that speak to the appeal of our year-round resort and the array of outstanding amenities we are offering," said Tom Quinn, manager of Delavan Resort Development. "People are clearly excited about the area: over eighty percent of the condominiums in this first phase are now sold. And there are still some great opportunities for spectacular lakeview and lakefront properties."

The complete transformation of The Lodges will reposition Lake Lawn Resort among the finest full-service resorts in the Midwest region. The Lodges are

custom designed with luxury finishes including granite countertops and rainforest showerheads, and state of the art technology.

"Lake Lawn Resort has so many great memories for our family; we've been gathering together here for decades and this is where I learned to swim and dive as a kid," said purchaser Dr. Ronald S. Benedetti. "We're so excited to be a part of the amazing future of this resort, and to continue creating memories and traditions that will last generations."

Lake Lawn Resort is undergoing a \$390 million expansion, one of the largest tourism development efforts in the Wisconsin, and is scheduled to include an indoor waterpark. The property's expansive, renowned lawns and shoreline will be preserved; when completed the property will still offer over 200 acres of open space for guest enjoyment.

The next phase of properties to be available at the resort is slated for ground breaking in early fall, with additional information to come this summer. During construction, the resort will remain open, offering guests the opportunity to enjoy the resort, recreational amenities and scenic lakefront.

Lake Lawn Resort is located on over 250 acres of wooded lakeside land with nearly two miles of shoreline on Delavan Lake. Less than two hours drive from Chicago and 45 minutes from Milwaukee, Lake Lawn offers a full complement of indoor and outdoor activities, including a lakeside 18-hole golf course, full service spa, courtyard shopping, indoor and outdoor swimming pools, tennis and more.
